7. Please describe any practices that the Instructional Assistant specifically used that created or interfered with a welcoming and supportive learning environment.

During office hours he was very friendly and was not intimidating to ask questions to.

Was vulnerable about whether they didn't know something but always found a solution to any problem or question we had.

8. Please describe any practices that the Instructional Assistant specifically used that particularly helped you to learn the material and/or encouraged you to feel that you could succeed in the course.

He would keep answering questions and figure out where we are confused until we understood everything which was very useful for exams.

Would always ask questions to see if we understood something, gave us a demonstration or gave us guiding questions to help us figure it out on our own.

9. Please offer constructive suggestions that might help the Instructional Assistant improve their contribution to your learning of the course material.

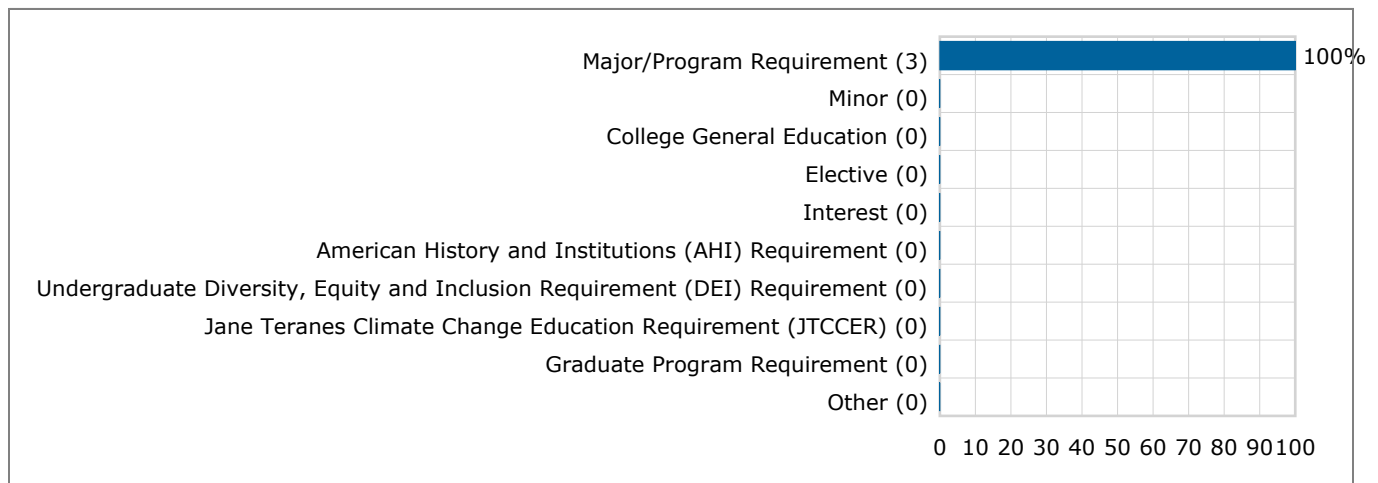

I would have maybe spoke a little more clearly, sometimes it was a little fast.

10. Is there anything else you would like to share about your experience with this Instructional Assistant?

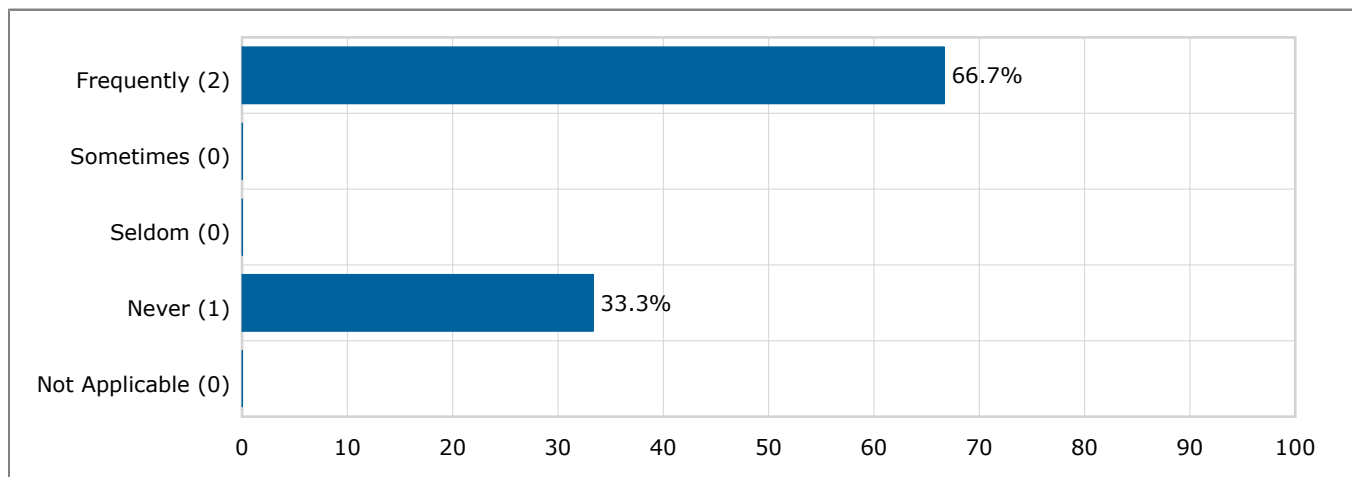

His friendliness helped me open up to asking many questions because he's very calm and kind when he answers which helped me a lot.

I really appreciate them taking the time to answer all of my questions, work with me, and wave at me whenever I saw them in public.
