7. Please describe any practices that the Instructional Assistant specifically used that created or interfered with a welcoming and supportive learning environment.

Encourages questions and allows us to speak by not giving solutions right away

The slides were very digestable and easy to make sense of

8. Please describe any practices that the Instructional Assistant specifically used that particularly helped you to learn the material and/or encouraged you to feel that you could succeed in the course.

He covers everything that he plans on discussing during discussion section. A very time efficient guy who knows when to explain hard topics. He never misses any point as if he was super prepared to teach.

Ta was very organized and explained complicated concepts step by step in a manner that really helped

9. Please offer constructive suggestions that might help the Instructional Assistant improve their contribution to your learning of the course material.

Maybe he needs to pause a little bit sometimes because when he explains he could go too fast. But really effective in teaching.

10. Is there anything else you would like to share about your experience with this Instructional Assistant?

He could be too serious when lecturing, so we just need a little bit of smile and friendliness.
